JESSE M. FURMAN, United States District Judge:

After the parties missed their first deadline to submit the Joint Pretrial Order, this Court's November 10, 2022 Order extended, *nunc pro tunc*, the deadline until November 30, 2022. That date has come and gone, and the parties have **still** not submitted the Joint Pretrial Order. The parties shall either file their Joint Pretrial Order and related materials by **December 5, 2022** (with an explanation for why they have now missed two deadlines) or show cause by that date why the case should not be dismissed for failure to prosecute. **Absent a submission by that date, the case will be dismissed without further notice to the parties.** 

SO ORDERED.
